DNDi Expresses its Deep Condolences to the Families and Colleagues of Those Lost on Malaysia Airlines Flight MH17

*Geneva – 18 July 2014* – The Drugs for Neglected Diseases initiative (DNDi) sends its sincerest condolences to the families, friends, and loved ones of those on board Malaysia Airlines Flight MH17. We are shocked and saddened by the tragic loss of many passionate and dedicated HIV/AIDS researchers, activists, and colleagues who were on their way to the 2014 International AIDS Conference in Melbourne, Australia. We mourn this terrible loss of life in the HIV/AIDS and global health community.
